BUDGET BOOK 2018-2019

BRIARCLIFF MANOR SCHOOL DISTRICT
Todd Elementary School
Briarcliff Middle School
Briarcliff High School

PHILOSOPHY STATEMENT

The mission of public education is to provide all students with the knowledge, skill and disposition to be successful in the modern world. It is the Philosophy of the district to help each and every child develop into confident, productive citizens who contribute to society while finding happiness and success in their endeavors. Our schools share this responsibility with parents and the community. Together we are committed to meeting the academic, physical, social, and emotional needs of students. Although our primary responsibility is for the intellectual development of the child, the District recognizes the importance of joy and the aesthetic. Therefore the district is committed to a well-rounded education - allowing students to explore areas of interest and ability. Through this well approach, we are confident that students will acquire the tools and strategies necessary for both academic and personal success in school and beyond.

Schools provide a unique environment for social development with peers and adults; therefore, the climate and activities are consciously structured to enhance these relationships. There are opportunities for students to participate in experiences that promote rigorous academic achievement, self-esteem, and exploration. Students learn the limits of individual freedom and the value of cooperation and collaboration. They gain multiple perspectives, and how to articulate their own. They learn to take advantage of the resources available to them, as well as how to properly advocate for themselves and others. Core academic areas are stressed in balance with the arts, physical fitness and healthy decision making.

It is our belief that a talented and student-centered staff coupled with supportive parents, will promote an engaged and enthusiastic student body. It is this combination that has led to Briarcliff's wonderful success and notoriety. Our goal is to enhance this partnership as we prepare our students to face the many new and dynamic challenges of the 21st century.

MESSAGE FROM THE BOARD OF EDUCATION AND SUPERINTENDENT OF SCHOOLS

On Tuesday, May 15th, from 6:00 AM to 9:00 PM at the Todd Elementary School, voters will be presented with the 2018-2019 Briarcliff Manor School District Budget adopted by the Board of Education in the amount of \$52,196,413, a 1.42% increase over the 2017-2018 budget. It will result in an estimated tax levy increase of 1.96% if passed by resident voters.

BUDGET-TO-BUDGET COMPARISON

After careful analysis, the Superintendent of Schools and Board believe the plan as set forth, will obtain desired results with the projected resources needed to implement the educational program and ensure that every student receives an excellent education. We do understand the need for fiscal prudence and are committed to our ongoing duty to preserve and improve the instructional program moving forward.

You are encouraged to study the financial plan and put forth questions about its content. For further information, please contact the Superintendent of Schools or the Assistant Superintendent for Finance and Operations. You are urged to cast your vote on Tuesday, May 15th.

SUPERINTENDENT OF SCHOOLS

James Kaishian

EXECUTIVE SUMMARY

This document contains the proposed budget prepared by the Superintendent of Schools and with modification, adopted by the Board of Education on April 12, 2018. After many months of development, it now is the final budget to be presented to resident voters on May 15, 2018.

In preparing the 2018-2019 budget, the School Board remains mindful of the difficult economic times facing residents of this community. Commencing with the 2012-2013 fiscal year a property tax cap mandate now exists in New York State. The property tax cap law was enacted when Chapter 97 of the Laws of 2011 passed both the Senate and Assembly and Governor Cuomo signed it on June 24, 2011. The legislation establishes a limit on the annual growth of property taxes levied by local governments and school districts. The cap applies to all independent school districts, including Briarcliff Manor. The tax levy cannot exceed the cap unless 60% of voters in each school district approve such an increase. If voters reject the spending plan twice, school districts must adopt a budget with the same tax levy as the prior year – a zero percent cap. It is important to note that the proposed 2018-2019 budget reflects an estimated tax levy with an increase from prior year that is below the maximum allowable tax levy cap.

Budget Proposition

The total dollar value of this proposed budget is \$52,196,413 and represents an increase of 1.42% over the 2017-2018 budget. The proposed budget advances an instructional agenda that continues to place students first. It includes an increase of \$730,262 over the prior year's budget. The tax levy is projected to be \$40,925,000 or 78.4% of budget revenues. Anticipated non-property revenues, not including an estimated \$825,000 from fund balance, will provide the remaining revenue stream of \$10,446,413 to bring the budget into balance. The estimated tax levy increase of 1.96% is below Briarcliff Manor's maximum allowable tax levy cap of 1.96% for the 2018-2019 school year.

The proposed budget of \$52.196 million seeks to address needs identified as critical in maintaining, as well as enhancing, both the quality of all education programs and the school district's security and infrastructure.

The proposed budget considers the Todd Elementary School priorities of literacy, numeracy and empathy. Looking forward, as fourth and fifth grade students continue to utilize their one-to-one devices, technology will be integrated into more curricula. Assessment continues to be key, both in progress monitoring students for support and in matching students with appropriately rigorous material. Professional development across all elementary grades is focused on student centered lesson design.

For Briarcliff Middle School, where students learn to think critically in their classes, the budget supports the fine-tuning of Common Core Learning Standards, the further integration of engineering skills through the Next Generation Science Standards, and more project-based learning opportunities. The middle school is also increasing its focus in assessment, using an online tool to finely assess and monitor students' growth and adopting instruction in response.

Briarcliff High School students continue to perform at high levels and gain acceptance into the nation's and the world's most prestigious colleges and universities, this budget preserves the resources and opportunities we offer our high schools students, including college-level Advanced Placement courses such as AP Computer Science, and math writing lab periods.

EXECUTIVE SUMMARY

The proposed budget also supports the continuing 1:1 technology initiative. This budget maintains the current level of programs, supports and professional development. It provides increased emotional support at the middle school as well as increased Health instruction at the high school. We will offer Health classes to 9th graders. There will be a new college level math offering at the high school. A stipend has been added for an Assistant Athletic Coordinator. There will also be improved safety measures for students and staff. Updating learning spaces through the purchase of furniture designed for the modern classroom will also supports our 1:1 initiative.

In addition, the proposed budget addresses the infrastructure and core systems that keep the buildings running efficiently and effectively. It includes the continued efforts to beautify the buildings through interior painting and replacement of aged doors. Work of the district's Long Range Planning committee is also reflected with the inclusion of a transfer to capital that will allow for backup generators and other committee priority based recommendations.

The proposed budget aggressively advances an instructional agenda that continues to place students first. The largest section of the budget is dedicated to direct instruction and instructional support services at 54.4%. Instructional staff salaries, contractual costs, equipment, supplies/materials, and textbooks are located in this section of the budget. Undistributed costs, such as fringe benefits and debt service payments are the next largest section at 28%. General support services, which include facilities and administrative costs associated with the operation of the District, represent 13.5% of the budget. Pupil transportation costs comprise the final 4.5% of the total spending plan.

In New York State, K-12 public education funding comes from three primary sources: federal aid, state aid and other aids/grants, and from revenues raised locally. Due to Briarcliff Manor School District's relative income and property wealth it does not receive direct federal aid that is applied to the general fund budget. Total estimated state aid flowing to Briarcliff Manor next year is about \$5.09 million or only about 9.8% of the proposed budget. The District is also projected to receive \$4.67 million or 8.95% of its revenues from incoming tuition due to its relationship with Pocantico Hills, other districts and parentally placed student. After applying an estimated \$825 thousand in fund balance and \$686 thousand from other miscellaneous sources the remaining 78.4% of the revenue budget will be supplied from the tax levy.

With the proposed budget the District will continue to deliver high quality services to all students. While this year's financial plan is now set for a public vote, the Board is mindful due to economic conditions, un-funded mandates and incoming tuition uncertainties will continue to put pressure on the District's financial operations into the future.

Impact of Budget Proposition on School Taxes

Assessed valuation is defined as the value of real property for the purpose of levying taxes. In the Briarcliff Manor community there are 2,489 taxable parcels that yield a total district-wide full value assessment of \$2,008,686,263 as of June 2017. In 2016, the Town of Ossining underwent an assessment revaluation.

The district-wide assessed valuation is one of three main factors which influence the school tax

rate. The second factor is the equalization rate and the other is the actual tax levy. Each town's assessor determines each properties assessment while the equalization rate is determined by the New York State Office for Real Property Services (ORPS). The equalization rate is used to determine full value and each town's share of the tax levy. The School Board sets the amount of tax levy. Once these items are finalized the tax rates are computed using a basic arithmetic formula: tax burden divided by portion of assessment multiplied by 1000. For the 2018-2019 budget, with a district-wide assessed valuation of \$1,904,238,577 and an anticipated \$40,925,000 tax levy, the respective estimated tax rates would be as follows:

<u>Town of Ossining:</u>	<u>Town of Mt. Pleasant:</u>
Percentage Share: 70.11%	Percentage: 29.89%
Tax Burden: \$28,690,795	Tax Burden: \$12,234,205
Portion of Assessment: \$1,334,981,514	Portion of Assessment: \$8,140,376
Est. Tax Rate: \$21.491530 per \$1000	Est. Tax Rate: \$1,502.904177 per \$1000

EXECUTIVE SUMMARY

The average parcel of property in the Briarcliff Manor School District is fully valued at \$725,000. Briarcliff Manor school district is divided between two townships: Ossining and Mt. Pleasant. School taxes are computed by using this formula: (property's assessed valuation divided by 1000 multiplied by the tax rate less the 2017-2018 maximum STAR savings if applicable). The savings resulting from the Basic or Enhanced STAR exemptions are limited to a 2% increase over the prior year. The maximum STAR savings for each school district is now calculated by the Office of Real Property Tax Services (ORPTS) and is available online. For 2018-2019 the basic STAR savings for the Town of Ossining is \$2,051 and the enhanced STAR savings is \$4,236. For Mt. Pleasant the basic STAR savings is \$1,932 and the enhanced STAR savings is 3,962. Therefore, 2018-2019 school taxes on the average single family home, given the proposed budget and assuming continued eligibility for either the Basic or Enhanced STAR exemption, are as follows:

School Tax Computation with Maximum Basic Star Savings for Town of Ossining:	
Avg. full value of property =	\$735,000
Avg. assessed valuation of property =	\$758,000
<i>divided by</i>	\$1,000
<i>multiplied by</i>	21.4915
<i>less</i>	\$2,051 (Basic STAR savings for 2017-2018)
<i>equals</i>	$((\$758,000/\$1000) * 21.4915) - \$2051 = \mathbf{\$14,240}$
School Tax with Enhanced STAR savings: $((\$758,000/\$1000) * 21.9384) - \$4,072 = \mathbf{\$12,055}$	

School Tax Computation with Maximum Basic Star Savings for Town of Mt. Pleasant:	
Avg. full value of property =	\$710,500
Avg. assessed valuation of property =	\$10,800.00
<i>divided by</i>	\$1,000
<i>multiplied by</i>	1,502.90
<i>less</i>	\$1,932 (Basic STAR savings for 2017-2018)
<i>equals</i>	$((\$10,800/\$1000) * \$1,502.9 - \$1,932 = \mathbf{\$14,299}$
School Tax with Enhanced STAR savings: $((\$10,800/\$1000) * \$1,502.9) - \$3962 = \mathbf{\$12,269}$	

EXECUTIVE SUMMARY

It is important for community members to remember the actual cost of school taxes in Briarcliff Manor is best explained as a result of an increase or decrease in a number of factors. In the final analysis the community must know that taxes in support of schools generally increase or decrease as a result of several factors most important of which are the tax levy, each Town's equalization rate, eligibility for the STAR exemption, and the increase or decrease in a property's assessed valuation.

The recently passed state budget institutes a school property tax freeze rebate for primary residences with income at or less than \$500,000 (STAR eligible) which are located in school districts that stay within the property tax cap and file and file a government efficiency plan demonstrating savings of one percent of the 2014-15 tax levy or \$389,902 for each of three years. Briarcliff Manor UFSD is below the allowable property tax cap and does plan on submitting the efficiency plan.

The rebate will be equal to 1) the rebate received in 2014 *PLUS* 2a) the greater of the increase in school taxes in 2016-17 *OR* 2b) 2014-15 school taxes x the CPI applicable to the tax levy limit in 2017 which is 2.%.

Homeowners will receive a credit by check from New York State in the fall of 2018. For further information, please contact your local state legislator.

BALLOT INFORMATION

PROPOSITION 1: 2018-2019 BUDGET

Shall the proposed 2018-19 Budget for the Briarcliff Manor Union Free School District in the amount of \$52,196,413 be approved?

[] YES

[] NO

Board Candidate Election

Vote for one (1) candidate to the Board of Education for a term of three (3) years, commencing July 1, 2018 and expiring June 30, 2021. Please mark with an X in the Voting Square for your choice or write in a candidate(s). If you vote for more than one (1), your vote will not be counted.

Write-In Votes: _____

Michael Haberman

VOTING INFORMATION FOR ALL RESIDENTS

Voting Requirements

- You must be a United States Citizen.
- 18 years of age or older.
- A resident within the District for a period of 30 days for at least 30 days prior to the vote.
- A registered voter of the District and/or a registered voter of Westchester County whose name appears on the list supplied by the Westchester County Board of Elections as having voted in a national, state or county election during the past four years.

When and Where to Register?

Until May 14, 2015 registration is continuous Monday through Friday from 8:00 a.m. to 4:00 p.m. in the District Clerk's office, located at the Todd School, 45 Ingham Road.

Who Needs to Register?

New Briarcliff Manor residents must register by May 8, 2018.

When and Where to Vote?

Voting will take place on Tuesday, May 15th between the hours of 6:00 a.m. and 9:00 p.m. at the Todd Elementary School.

Absentee Ballots

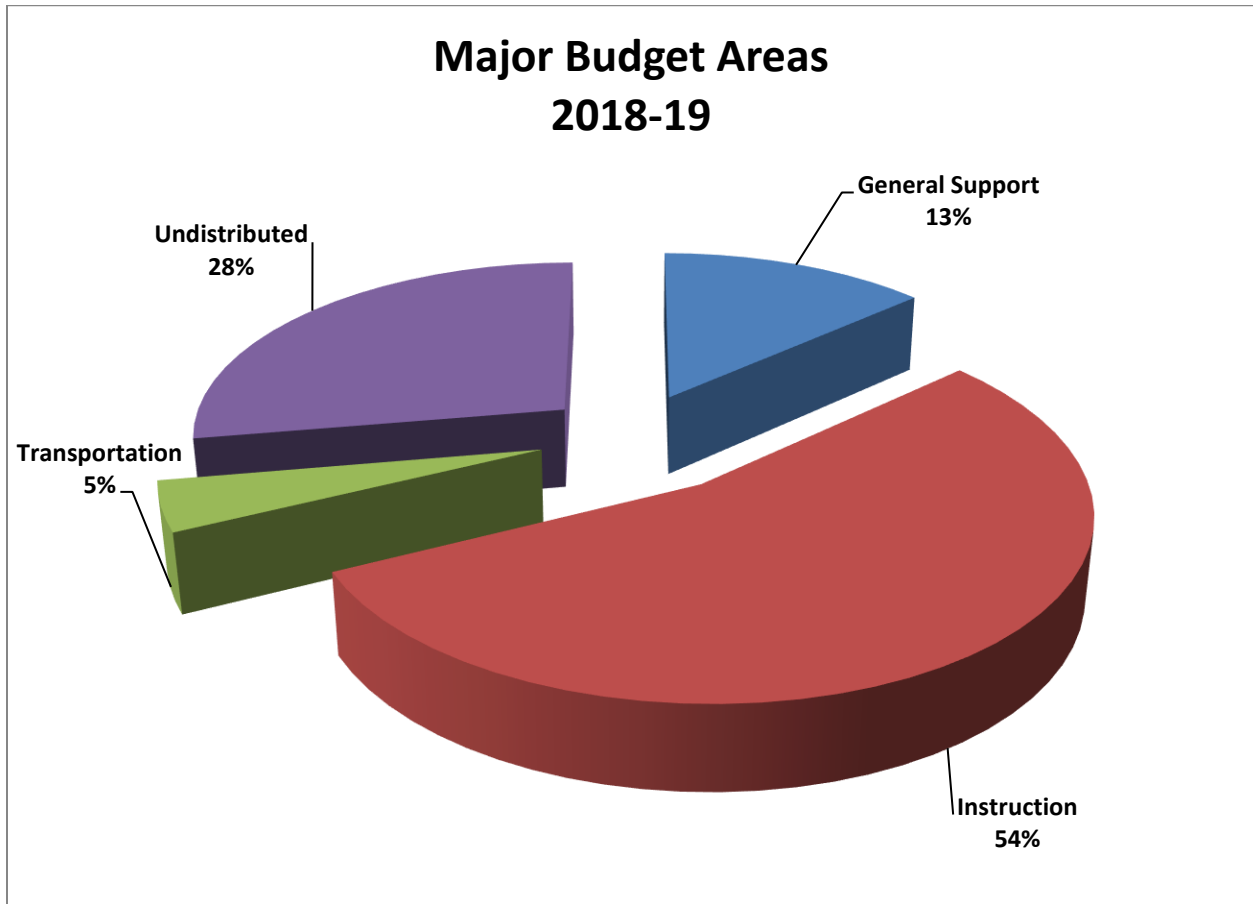

If you will be out of town or unable to vote in person on May 15th, you can apply for an absentee ballot. Applications for absentee ballots are available at the District Clerk's Office, online at the District's Website, www.briarcliffschools.org, or you may call 914-432-8110 to have an application mailed to you. Absentee Ballot applications must be received in the office of the District Clerk by 5 p.m. on May 15th.

**FINANCIAL PLAN AND SCHOOL BUDGET
2018-2019**

GENERAL FUND BUDGET SUMMARY

The annual school budget is a financial estimate of the operating funds required to achieve goals and objectives of the District's educational program. The 2018-2019 Proposed Budget is \$52,196,413, \$730,262 over the 2017-2018 Budget. The budget-to-budget expenditure increase is 1.42%.

Anticipated non-property revenues (NPR) of \$10,446,413, a 5.51% change from last year, plus assigned fund balance of \$825,000 results in a total estimated tax levy of \$40,925,000 (before STAR deduction). The estimated tax levy increase is 1.96%, below the calculated tax levy cap of 1.96% for the 2018-2019 school year.

2018-19 BUDGET SUMMARY

	2017-18 Approved Budget	2017-18 Projected Expenditures	2018-19 Proposed Budget	Budget-to- Budget Increase	% Difference
Total Expenditures	51,466,151	49,946,772	52,196,413	730,263	1.42%
Non-Property Revenues	9,901,151	9,505,973	10,446,413	545,262	5.51%
<i>% of Total Expenditures</i>	<i>19.24%</i>		<i>20.01%</i>		
Assigned Fund Balance	1,220,000	1,427,000	825,000	(395,000)	-32.38%
Total Tax Levy	40,345,000	40,142,020	40,925,000	580,001	1.44%
<i>% of Total Expenditures</i>	<i>78.39%</i>		<i>78.41%</i>		

EXPENDITURE SUMMARY

The budget-to-budget expenditure increase is \$730,262 or 1.42% for the 2018-2019 school year. There are multiple areas driving this increase. The primary drivers for this increase are as follows:

- Health Insurance – an 3.75% increase
- Special Education – Services and Tuition Increase
- Teaching – Maintaining staff
- Technology – Less reliance on BOCES for technical support, using in-house support
- Operation, Maintenance & Security – Maintain buildings, address priority one issues
- Transportation – Field Trips
- Athletics – Stipend for seasonal Assistant Athletic Director

REVENUE SUMMARY

The single greatest source of budget revenue is the District's tax levy. The 2018-2019 budget estimates that the total tax levy will be \$40,925,000 or 78.4% of total expenditures. Non-property revenues are estimated at \$10,446,413 or 20% of total expenditures. The remaining \$825,000 or 1.58% is projected to come from assigned fund balance.

The major sources of non-property revenues are as follows:

1. State aid totaling \$5,088,309 is \$469,353 less than was budgeted in 2017-2018. The decrease in state aid is primarily due to a reduction in BOCES aid which is dependent on use of BOCES services.
2. Incoming Tuition from Pocantico Hills, Other School Districts and parentally placed students is budgeted at \$4,671,661, an increase of (\$1,161,048). The increase is attributed to the fact that the NYSED Nonresident Tuition rate (NRT) was set higher than anticipated for special education students by \$7,542 per student. We are expecting 14 more tuition students in 2018-19 than in 2017-18.

3. County sales tax revenue estimated at \$411,967.

Starting with the 2013-2014 school year, the District's ability to increase annual property tax levies is constrained. The property tax cap law, enacted in Chapter 97 of the Laws of 2011, restricts tax levy increases for local governments including public school districts to no more than 2%, or the rate of inflation, whichever is lower (prior to allowable adjustments). Local governments and school districts can override the cap with a 60% vote either by their local governing body or, in the case of a school district, by the voting public. The proposed 2018-2019 budget reflects an estimated tax levy with an increase of 1.96% from prior year, a figure that is below the maximum allowable tax levy limit of 1.96% calculated for Briarcliff Manor.

COMPONENT BUDGET SUMMARY

As required by Section 170.8 of the Regulations of the Commissioner of Education effective December 27, 1996, the District must report its budget to the public on the basis of administrative, capital and program costs. This provides community residents with a general view of how the annual Briarcliff Manor School District Budget is allocated. A description of these components follows below.

Administrative Component: *includes appropriations for the following administrative accounts and functions: board of education; district clerk; district meeting; chief school administrator; business administration; auditing; treasurer; purchasing; legal services; personnel services; records management; public information services; curriculum development and supervision; research, planning, and evaluation; supervision-regular school; central data processing; central printing and mailing; special items excluding tax certiorari, judgments and compromised claims, employee benefits attributable to salaries included in other accounts and functions in the administrative component.*

Program Component: *includes appropriations for the following programmatic accounts and functions: in-service training-instruction; teaching-regular school; programs for students with disabilities; occupational education; school library and audio-visual; computer assisted instruction; attendance-regular school; guidance-regular school; health services; psychological services-regular school; social work services-regular school; pupil personnel services-special schools; co-curricular activities-regular school; interscholastic athletics-regular school; transportation services; civic activities; employee benefits attributable to salaries included in other accounts and functions in the program component and transfers to special aid funds.*

Capital Component: *includes appropriations for the following capital accounts and functions: operation of plant; maintenance of plant; debt service; transfers to capital and debt service funds; tax certiorari; judgments and compromised claims; employee benefits attributable to salaries included in other accounts and functions in the capital component.*

ENROLLMENT SUMMARY

Based on projections, the 2018-2019 in-district K-12 enrollment is expected to decrease by 5 students from 1,441 to an estimated 1,436, or -.35%. At Todd School the K-5 enrollment is expected to drop by 28 students to 502. At the MS we are expecting 361 students, which is an addition of 1 student. At the HS we are expecting 572 students, an increase of 20, or 3.5%. A comprehensive long-range planning study can be accessed at the District's 2018-2019 budget link under source documents:

EMPLOYEE BENEFITS SUMMARY

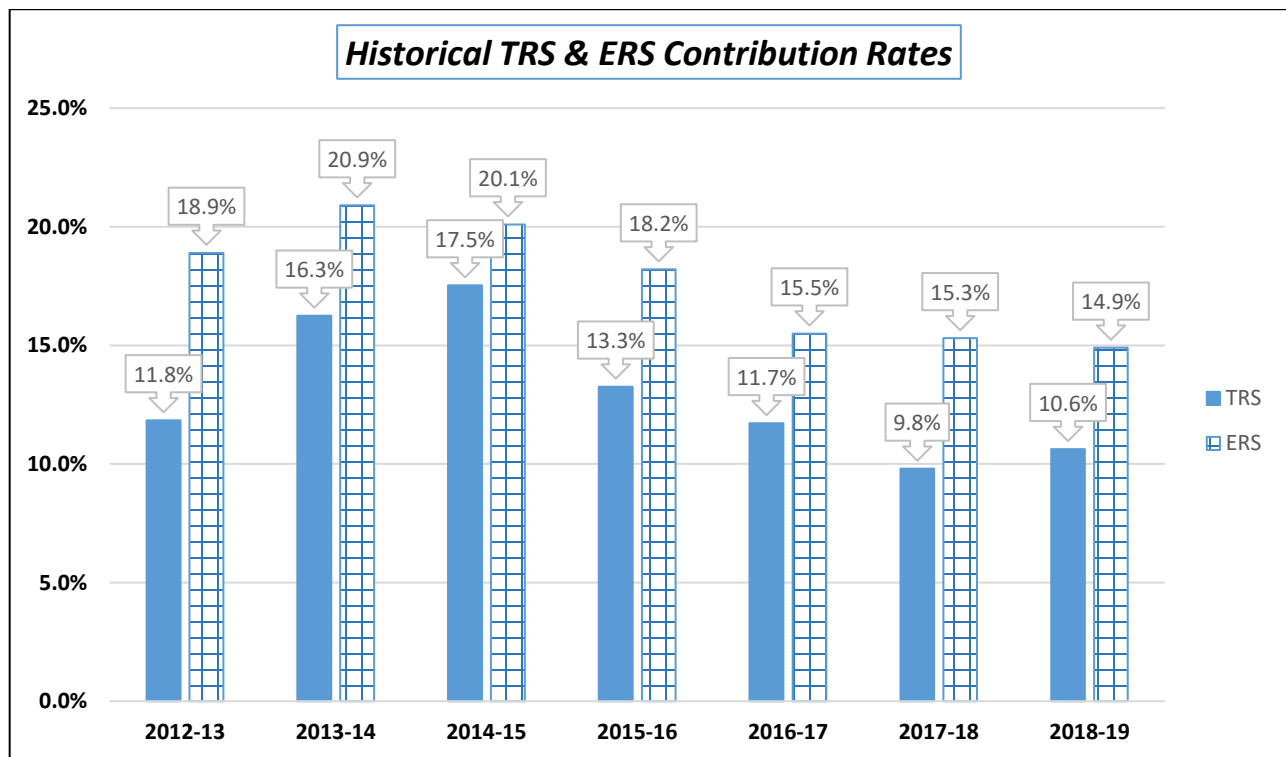

Retirement Costs:

Teachers' Retirement System:

The District's mandated employer contribution rate to the NYS Teachers' Retirement System (TRS) is estimated to increase to 10.63% of instructional payroll from 9.8%, for the 2018-2019 school year. Future pensions for faculty members, teaching assistants, coaches and administrators are covered by this system.

Employees' Retirement System:

The District's mandated employer average contribution rate to the NYS Employees' Retirement System (ERS) is estimated to decrease to 14.9% of non-instructional payroll from 15.3%, for the 2018-2019 year. There were no tax cap levy exclusions since the retirement contribution year to year changes were less than 2%.

Social Security/FICA:

The budget for Social Security/FICA benefits will remain about the same as 2018-2019 due to retirements. The per employee salary threshold for calculating the total maximum contribution is \$127,200 for calendar year 2018.

Workers' Compensation Insurance Costs:

The District's workers' compensation insurance cost is a function of total payroll, loss experience, and the investment markets. The District's budget in this area will remain increase by 5% due to our claim experience. The District belongs to a consortium with other districts in this self-funded plan.

Unemployment Insurance:

The District's unemployment insurance costs, are budgeted at \$70,000, a \$10,000 decrease.

Health & Dental Benefits:

Medical Insurance:

The medical insurance budget is decreasing by 3.8% in 2018-2019. Bargaining contracts helped offset this. The District participates in a self-funded consortium with other school districts in the Putnam Northern Westchester BOCES Empire Plan. The consortium health insurance costs are increasing by 3.75%. The District's cost for providing health insurance benefits for its active employees in 2018-2019 is estimated at \$23,748 per employee for family plan benefits, two person plan is \$21,936 and the individual rate is expected to be \$8,772 per employee (before employee contributions). The District also pays for retiree health insurance coverage per established guidelines.

Dental Insurance:

The District self-funds the dental plan offered to its employees. A third party administrator manages and pays claims based on terms in the plan document. The budget for dental insurance is increasing \$22,000 from 2017-18 due to an increase in claims experience and bargaining negotiations. The district does not collect employee contributions for this insurance.

Health Waivers:

The District provides an opt-out benefit to those employees who decide not take advantage of the district provided health insurance plan. Details of specific amounts are per collectively bargained or negotiated employee contracts.

Other Benefits:

Life and Disability Insurance:

The District provides coverage for these insurances to its employees through its collective bargaining agreements. This coverage is paid at a fixed amount per employee. There is no increase for 2018-19 based on actual expenditures.

Other Benefits:

The District's contributions to 403B Plans per collectively bargained or negotiated employee contracts with its administrators are accounted for in this category and are budgeted to remain flat.

ADMINISTRATIVE BUDGET SECTION

BOARD OF EDUCATION SUMMARY

The Briarcliff Manor Union Free School District Board of Education is a corporate body consisting of five (5) members who are elected by residents of the District and serve three (3) year terms. One member is elected by the Board at its re-organizational meeting held in July to serve as president and one member as vice president. The president is chief spokesperson for the Board. The vice president exercises the duties of the president in case of that officer's absence or disability. The Board oversees and manages the District's affairs, personnel and property, and is ultimately responsible for the education of children residing in the District.

This year's school board election features a vote on two, three-year terms expiring June 30, 2021 to fill the expiring term of incumbent Michael Haberman and retiring Jan Fischer. The new term commences on the date of the 2018-2019 Board of Education Reorganization Meeting in July.

The funds required by the Board of Education include the membership cost of local, state and other regional school board associations. Other costs consist of:

- Board-sponsored activities
- Supplies and materials
- Contractual costs
- BOCES services
- District clerk costs
- Annual school election costs

The cost for these Board of Education expenses is estimated to be \$61,121 in 2018-2019, which is essentially the same as the 2017-17 budget.

School districts in New York are the only governmental units required to place their annual budgets up for a public vote. This is an unfunded mandate thus the administrative expense to facilitate an annual budget vote and school board member election must be absorbed by the general fund of the school district.

Obtain more information about the Board of Education at:

CENTRAL OFFICE SUMMARY

The Briarcliff Manor Union Free School District central office consists of:

- Office of the Superintendent of Schools
- School Business Office
- Office of Curriculum & Human Resources

The Superintendent of Schools is the chief executive officer of the School District and its educational system. The Superintendent is not a member of the Board of Education but does have the right to speak on all matters that are before the Board for consideration. The Superintendent is granted broad powers with respect to the day-to-day operation and management of the District and its affairs.

The District's school business office has responsibility for all financial and non-instructional management operations. The Department's primary functions include:

- Preparation and management of the District's annual budget
- Audit and accounting services including fixed asset management
- Employee payroll and benefits administration
- Facilities management and construction
- Pupil transportation
- School food service

Central office costs are increasing in 2018-2019. The anticipated contractual increase is \$38,198 or 4.12%. This includes new auditor contracts as well as fiscal bond work.

The District's treasurer plays a critical role in audit compliance for the District and is accounted for in this area as are the expenses associated with all audit related expenses. The District undergoes annual Internal and External audits as well as services provided by a board appointed claims auditor who, as a third party reviews all purchases to assure that proper procedures are followed before a check is issued.

Obtain more information about the District's central administrative office at:

LEGAL, PERSONNEL AND PUBLIC INFORMATION SUMMARY

Contained in this functional area are costs related to the following areas of school business:

- Legal counsel
- Personnel and recruitment
- Records Management
- BOCES services

Included in this budget are funds to support legal services related to support day to day operations, collective bargaining representation and tax certiorari representation. Also included in these categories are the expenses related to the recruitment of personnel, records management and District communications via its website, newsletters and electronic mail.

Overall costs are expected to increase by \$56,345 or 15.98%. The increase is primarily due to increased legal consultation, BOCES record retention cost and contractual increases.

COPYING & MAILING

District wide costs associated with copying services provided by BOCES are accounted for in this area. This expense was previously accounted for in a variety of different areas which is the reason for the large increase when compared to the current year.

Central Data Processing:

Costs associated with non-instructional technology personnel and the student data system are budgeted in this area. The increase of \$318,781, or 75.64% is primarily due to bringing districtwide technical support in-house.

Other Charges:

Central services include assessments that relate to the District's general and legal liability insurance, tax certiorari settlements that fall outside of reserve parameters, public water service and BOCES administrative and capital charges. Other central services costs will increase by \$11,040, or 2% in 2018-2019 mainly due to increase in BOCES administrative costs. BOCES administrative and capital costs are determined by the Putnam/Northern Westchester BOCES and are a function of BOCES' internal costs (non-program, retiree and capital) and the Briarcliff Manor School District's enrollment (RWADA).

The District is a member of the New York Schools Insurance Reciprocal and experiences some measure of insulation from the high cost exposure in the commercial insurance market.

CURRICULUM & INSTRUCTION

The area of curriculum and instruction reflects a commitment by District to the development and support of a rigorous academic curricula as well as an investment in the administrative support necessary to ensure diligent program implementation and supervision.

The increased accountability of every school district for student achievement required by federal and state mandates gives rise to costs to support the NYS Testing in Grades 3-8 in English Language Arts and Math, district participation in NYS Reporting and Data Warehousing and the development of common core curricula aligned with NYSED Standards.

The curriculum and instruction budget supports the following:

- Administrative expenses associated with District curricular needs;
- Expenses related to stipends for dept. chairpersons and curriculum leadership;
- Procurement of professional materials related to curriculum development; and
- BOCES expenses related to testing, data compilation and reporting.

The 2018-2019 budget for this area is \$25,961. The professional development budget has remained the same as 2017-18.

Maintaining the District-wide commitment to standards-based curriculum, and development of data-driven instruction will continue to be the focus of building-level leaders and teachers during the school year under the supervision of the superintendent of schools.

SUPERVISION & IN-SERVICE TRAINING

Supervision: This functional area includes salaries and expenditures of all administrative directors, building principals, assistant principals and secretarial support for the District's school buildings and offices. The building administration provides overall support for students' academic achievement and success. Building administrators are instructional leaders responsible for each and every student. This year the district will be moving the part-time middle school AP position to fulltime.

The building administration focuses upon students, first and foremost; coordinates school activities; supervises staff; provides support for curriculum and instruction; ensures appropriate student safety, discipline, and guidance; maintains records; involves parents in their children's education; promotes positive school-community relations; and allocates building resources.

Supervision costs are projected to increase by \$120,091 or 8.36% in 2018-2019. This increase is due to reclassifying the middle school assistant principal as a full time assistant principal in 2017-18.

Research & Planning: The district uses Western Suffolk BOCES to study and produce annual enrollment studies used in short and long term budget planning.

PROGRAM BUDGET SECTION

INSTRUCTIONAL SUMMARY

This category includes salaries for faculty and staff dedicated to regular instruction and student success. Other instructional expenses necessary to support mandated common core curriculum requirements across all grade levels and disciplines are also include here.

The Briarcliff Manor Public Schools will employ 148 faculty members allocated across grades K-12 in 2018-2019. The District's goal is to ensure that each child receives instruction that meets or exceeds New York State Standards by curriculum and grade level.

Elementary students develop critical thinking and analytical skills. Through literacy instruction in language arts, mathematics, social studies, science, health, technology and physical education each child's curriculum is enriched, and each student develops cultural and creative skills through art, music, and supplemental programs.

At the secondary level, New York State Standards are being met or exceeded throughout the District. AP courses, electives, art, music and physical education programs as well as academic intervention services and Regents preparation at all levels, are embedded throughout the curriculum.

Other instructional costs absorbed in this category are building-level expenses related to equipment/furniture, supplies and materials, textbooks and contractual obligations. These costs represent the building principals' requests for 2018-2019.

Other financial obligations of the District contained in this category are:

- Building specific curriculum development activities
- BOCES instructional services

Total instructional area costs will increase by \$159,607 or 1.03% in 2018-2019. It is important to note that the teacher's contract was renegotiated this year. Decreases in non-certified salaries are due to a change in classification.

REGULAR SCHOOL

SPECIAL SERVICES & OCCUPATIONAL EDUCATION SERVICES SUMMARY

The education of children with disabilities is governed by the following statutes and their accompanying regulations:

- The **Reauthorized Individuals with Disabilities Education Act (IDEA 2004)** which imposes on school districts, among other mandates, an obligation to provide all children with disabilities a free and appropriate public education in the least restrictive environment.
- **Section 504 of the Rehabilitation Act of 1973** and the **Americans with Disabilities Act (ADA) of 1990** which prohibit discrimination on the basis of disability.
- **Article 89 of the New York State Education Law and Part 200 of the Commissioner's Regulations** which are also the vehicles that implement federal law governing the rights of children with disabilities in New York State.

The Briarcliff Manor Union Free School District must provide all eligible resident children with disabilities a free and appropriate public education in the least restrictive environment that meets their needs as set forth in the child's individualized education program (IEP). The District has met its obligation to comply with these laws and has/will have served the following numbers of school-age children with disabilities which include pre-school.

2012-13	2013-14	2014-15	2015-16	2016-17	2017-18	2018-19
194	161	127	178	172	160	154 proj.

For 2018-2019 it is anticipated that 136 Briarcliff Manor Union Free School District students, or about 9.4% of the total District's student body will be classified with special needs as identified by the committee on special education (CSE). In 2017-18 there are 123 students in CSE (school age 5-21), and 37 CPSE (3-5 preschool) totaling 160 students. In 2018-19 we anticipate 123 CSE (school age 5-21) students and 18 CPSE students (3-5 preschool) totaling 154 students.

Occupational Education services are provided through the Putnam/ Northern Westchester BOCES. Examples of programs available for students are construction, culinary arts, computer graphics and automotive. This expense is expected to increase \$3,419 from 2017-18.

Overall the expected costs for Special and Occupational Education Services programs will increase by \$359,942, or 7.34% in 2018-2019. This increase is attributed for an increased need of services and having dually certified teachers that are partially expensed under special education.

Obtain more information about the District's special and occupation educational services programs at:

LIBRARY/TECHNOLOGY SUMMARY

The primary objective of the District's instructional technology plans in the Briarcliff Public Schools is to support the continued integration of technology and information literacy into curriculum, instruction, professional development, and information management to impact and expand the scope, quality, and richness of all educational programs.

Recognizing that the presence of technology permeates the fabric of an intellectual and creative life, the District is committed to creating a learning environment that anticipates and responds to the demands of the world for which we prepare our students.

Briarcliff 2.0 is a 1 student: 1 device initiative to deliver technology directly into the hands of students & teachers so that they may take greater advantage of district resources and we may improve student learning outcomes.

The combined library/technology budget for 2018-2019 is projected to decrease by \$408,484 or - 16.11%. The decrease is primarily a result of thoughtful decision by the district to reduce reliance on BOCES for technical. We have increased in-house technical support. Also included are the following for 2018-2019:

- Blackboard connect services
- Instructional technology support services
- Outsourced technology support services
- Curriculum mapping
- District Wide print management

These and other budgeted items will assist to support continued instructional technology development: provide an adequate and reliable infrastructure; timely resolution of technical problems; equitable access to hardware and software resources; well-designed ongoing professional development; and technology integration throughout the District. The proposed technology budget will advance efforts to integrate technology to extend and enrich curricula, and improve the manner in which instruction is delivered.

Obtain more information about the technology and instructional media/library programs at:

GUIDANCE/HEALTH SERVICES SUMMARY

The elementary, middle and high school counselors in the guidance and counseling department address the academic, personal/social and career development needs of all students by designing, implementing, evaluating and enhancing a comprehensive school counseling program that promotes student success. Counselors provide proactive leadership that engages all stakeholders in the delivery of programs and services to assist and work with students to support their goals and maximize success as they prepare for their role in the ever-changing 21st century.

The guidance program is delivered through:

- Guidance designed to help students achieve desired competencies and to provide students with developmentally appropriate knowledge and skills.
- Individual student planning to help students establish personal, academic and career goals to include understanding of self and others, and assessment of strengths, weaknesses, talents and skills.
- Academic planning that aligns with post high school and career goals.
- Responsive services that consist of prevention, intervention and advocacy at the systemic level.
- Consultation with parents, teachers, other educators and community resources

In addition, counselors facilitate educational evening programs and in-school seminars related to developmental needs and college and career planning. The department is responsible for assisting students in registering for college related exams and assisting students with disabilities in acquiring accommodations for college related exams.

The guidance portion of the budget will remain flat 2018-2019.

The health services portion of the budget is projected to increase by \$25,531, or 3.17%. Additional funding is earmarked for required summer work hours. Also budgeted for in this area are health services provided to Briarcliff Manor students who attend private schools in other districts. The school physician is also budgeted for in this department.

INTERSCHOLASTIC ATHLETICS AND Co-CURRICULAR SUMMARY

The co-curricular and interscholastic athletics programs are important parts of the overall education program for Briarcliff Manor's young men and women. All students are encouraged to take advantage of these exciting programs. The investment in this program enhances school spirit and morale. It does this by allowing students to work and play harmoniously with others, by promoting constructive use of their leisure time, by developing leadership traits and by furthering their athletic and vocational interests as well as developing new ones.

During the 2018-2019 school year, the Briarcliff Manor interscholastic athletic program budget supports the participation of 1,600 student athletes playing on 72 different teams in 36 sports programs. The number of participants are expected to be similar in the 2018-2019 school year.

The interscholastic athletics budget will increase by \$22,380, or 2.67% for 2018-2019. The increase is primarily due to stipends for an assistant athletic director, team playoffs, and team mergers. The 2018-19 budget also includes additional security for playoff games.

Obtain more information about the interscholastic athletics program at:

PER PUPIL COST SUMMARY

Per pupil costs include equipment, contractual, textbook and supplies/materials expenses that are needed to support classroom activities.

The 2018-2019 per pupil allocation budgeted for the all schools is remaining constant from the current year. Per pupil supply, equipment and contractual costs have increased in the last several years due to buying one to one devices for students as well as replacing library and classroom furniture.

In 2016-17, the district purchased one to one devices for the high school students. This year, 2017-18, the district will purchase one to one classroom devices for the elementary school students.

PUPIL TRANSPORTATION SUMMARY

The Briarcliff Manor Union Free School District provides pupil transportation for all resident children who legally attend public, private or parochial schools that are between 1 to 15 miles from their homes, as specified by the current Board of Education Policy #5700.

Any resident, now living in the District, who applies for out-of-district transportation for their children on or before April 1 of each year will be provided with transportation (within mileage limits); the District does not accept late applications unless it is submitted by a new resident within 30 days of the date of residency.

All District transportation services are provided by a private bus company.

The Pupil Transportation budget for 2018-2019 is projected to increase by \$111,364, or 4.97% overall. The increase primarily relates to the addition of field trips being restored in this budget.

The District must provide transportation for an estimated 125 resident students attending 33 different private and special education schools located outside of the District. The District contracts with a private school bus company to provide this service. In 2018-2019 the estimated cost for this contract transportation is \$981,368. In-District transportation is also contracted with the same private school bus company. There are 1,446 students who are eligible to be transported to in-district schools at an estimated cost of \$1,060,800 or \$734 per pupil for 2018-19. Services provided to students attending out-of-district schools located within 15 miles of their residence are mandated by state education law. Special Education schools may by law be located outside of the 15 mile radius.

Obtain more information about the District's pupil transportation program at:

<http://www.briarcliffschools.org>

BOCES SERVICES SUMMARY

The Briarcliff Manor Union Free School District's use of Putnam/Northern Westchester and other BOCES services represents about 6.18% of the total proposed 2018-2019 Budget. The five major areas of services that the District subscribes to are:

- Technology support services including student and financial/data management services
- Instructional Support Services including curriculum development
- Special services for students with disabilities
- Occupational Education programs; and
- Athletic services including Section 1 and competition official costs.

The District's decision to purchase these services from BOCES represents its belief that it is obtaining the highest quality service in these areas at a more reasonable cost than it could if it provided the services themselves or from another competing vendor.

At this time it is projected that the District will subscribe to \$3,224,619 in BOCES services during the 2018-2019 school year. This represents a reduction in the level of spending than was budgeted in 2017-2018 by \$466,205 due primarily to reduction of BOCES technical support. Technical support is now mainly done in-house.

Noteworthy is the fact that the District's 2018-2019 BOCES aid estimate provided by the NY State Education Department per the 2018-2019 Legislative Budget indicates the District will receive about \$389,697 less in BOCES aid than what it expects to receive in 2017-2018. For every dollar spent on a BOCES aid eligible service the District receives back approximately 66% back in BOCES aid revenues the following school year per current NY State law.

More information about BOCES services can be obtained at:

<http://www.pnwboces.org/>

CAPITAL BUDGET SECTION

OPERATIONS & MAINTENANCE SUMMARY

The Operations & Maintenance (O&M) budget for 2018-2019 is projected to decrease by \$21,475, or -.54%.

The 2018-19 budget funds the architectural fees (\$75,000), boiler controls (\$44,000), roof repairs (\$30,000), as well as continual maintenance. Plant Operations are increasing by .19%. This is due to a reduction in overtime, BOCES services, and fuel oil.

The total District facilities square footage is currently at 367,500. District custodial personnel productivity will be 20,244 square feet per staff person in 2018-2019 similar to 2017-18. Contracted personnel will be 29,767 square feet per person.

Day shift custodians do set-ups, internal deliveries, building repairs, cleaning, grounds work and landscaping during the school day. District night custodians do cleaning and set-ups as well as breakdowns. Contractual cleaners do not do set-ups or breakdowns for events. All custodial and cleaning work is performed to Level 2 standard.

SECURITY:

The District currently employs 9 school monitors who provide access control at all three buildings during school hours and in the evening as required. All visitors are required to stop at guard booths to gain access to the grounds. Building visitors are required to sign in. The increase in the 2018-19 budget of \$4,523, or 3.94% is due to settled contracts. The district uses overtime for large school events and championship games.

DEBT SERVICE SUMMARY

In order to build facilities and purchase fixed equipment the District borrows money to pay for these large expenditures over time. Consequently, debt service is part of the budget which includes funds for the payment of principal and interest on the District's outstanding construction bond issues and the District's share of BOCES construction projects.

Scheduled in 2018-2019 is construction debt service of \$3,881,888. The primary driver for the large increase is the bonding of \$10.525 million capital project approved by voters in 2012.

The District's total debt service schedule for years 2018-2019 through 2029-2030 is provided below.

DEBT SERVICE SCHEDULE

Fiscal Year Ending June 30th	TOTAL PRINCIPAL	TOTAL INTEREST	TOTAL PRINCIPAL & INTEREST

INTER-FUND TRANSFERS

Special Aid Fund:

Included in the 2018-2019 budget is \$25,000 to the special aid fund providing a 20% offset to summer school special education expenditures anticipated in July and August of 2018. The remaining 80% of funding is provided by the State Education Department and accounted for in the special aid fund.

Capital Fund:

This budget includes a \$300,000 transfer to capital which will be used to purchase backup power generators (\$213,000) and other priority 1 items as designated by the facilities committee. In 2017-18 these funds were used for the emergency culvert project.

Under the Budget Proposed
for the 2018-19 School Year

Estimated Basic STAR Exemption Savings¹

\$2,051

The annual budget vote for the fiscal year 2018-2019 by the qualified voters of the Briarcliff Manor Union Free school district, Westchester County, New York, will be held at Todd Elementary school(s) in said district on Tuesday, May 15, 2018 between the hours of 6:00am and 9:00pm, prevailing time in the Todd Elementary school, at which time the polls will be opened to vote by voting ballot or machine.

1. The basic school tax relief (STAR) exemption is authorized by section 425 of the Real Property Tax Law.

ASSESSED VALUATION:

Assessed valuation is defined as the value of real property for the purpose of levying taxes.

BOND:

Money borrowed to pay for a school district expenditure. Typically, the money is used for capital expenditures, such as the construction or renovation of a building, although in some cases school districts also issue bonds for other large expenditures such as the repayment of back taxes in a certiorari settlement. By definition, a bond is a written promise to pay a specified sum of money, called the face value or principal amount, at a specified date in the future (the maturity date), together with periodic interest at a specified rate.

BUDGET:

A plan of financial operation expressing the estimates of proposed expenditures for a fiscal year and the proposed means of financing them. An underlying reason for a budget is the achievement of the school district's specified annual education goals.

BUDGET CAP:

Per New York State education law, in the event of a school budget defeat and the adoption of a contingent budget, school districts must cap their spending increase at 120% of the Consumer Price index or 4%, whichever is lower. For more on this, see the definition of a contingent budget.

CAPITAL OUTLAY:

An expenditure that results in the ownership, control, or possession of assets intended for continued use over long periods of time. These can include new buildings or building renovations and additions; new equipment (i.e. desks, computers, etc.).

CONSUMER PRICE INDEX (CPI):

An index of prices used to measure the change in the cost of basic goods and services in

GLOSSARY OF SCHOOL FINANCE AND BUDGET TERMS

comparison with a fixed base period (also called the cost-of-living index). However, the CPI does not take into account many of the items that cause school district budgets to rise, such as the increasing cost of health insurance, liability insurance and retirement contributions.

CONTINGENT BUDGET:

In the event it becomes necessary, a contingency budget is developed based on provisions of education law and Briarcliff Manor Board of Education policy. The School District budget for any school year or any part of such budget, or any proposition involving the expenditure of money for such school year, shall not be submitted for a vote of the qualified voters of the District more than twice in any school year. If the original proposed budget is not approved by District voters at the Annual District Meeting and Election, the Board has the option of either resubmitting the original or revised budget for voter approval at a special meeting held at a later date; or the Board may, at that point, adopt a contingency budget. If the Board decides to submit either the original or a revised budget to the voters for a second time, and the voters do not approve the second budget submittal, the Board must adopt a contingency budget and the tax levy cannot exceed the total tax levy of the prior year (0% levy growth).

DEBT SERVICE:

In order to build facilities and purchase fixed equipment the District borrows money to pay for these large expenditures over time. Consequently, debt service is part of the budget which includes funds for the payment of principal and interest on the District's outstanding construction bond issues, District share of BOCES capital projects and tax anticipation notes.

EMPLOYEE BENEFITS:

Fringe benefits costs paid by the district on behalf of employees. These amounts are not included in the gross salary. They are fringe benefits, and while not paid directly to employees, are parts of the cost of operating the school district. Employee benefits include the district cost for health insurance premiums, dental, life and disability insurance, Medicare, retirement and social security.

EQUALIZATION RATE:

In simple terms, an equalization rate represents the average level of assessment in each community. For example, an equalization rate of 80 means that, on average the property in a community is being assessed at 80% of its market value. The words "on average" are stressed to emphasize that that an equalization rate of 80 does not mean that each and every property is assessed at 80% of full value. Some may be assessed at lower than 80%, while others may be assessed at higher than 80%. Equalization rates are established by the New York State Board of Equalization and Assessment. School districts that comprise more than one city, town or village must use the equalization rate to determine the tax rates for each municipality. The purpose is to bring some semblance of equity to how the taxes are distributed in any one school district, so that ideally a home with a full market value of \$100,000 in one community will pay the same taxes as a home with a market value of \$100,000 in the next community, regardless of how those two homes are assessed. A district at full value assessment does not have an equalization rate.

EXPENDITURE:

Payments of cash or transfer of property or services for the purpose of acquiring an asset or service.

GLOSSARY OF SCHOOL FINANCE AND BUDGET TERMS

FISCAL YEAR (FY):

A fiscal year is the accounting period on which a budget is based. The New York State governmental fiscal year runs from April 1 through March 31. The fiscal year for all New York counties and towns and for most cities is the calendar year. School districts in the State operate on a July 1 through June 30 fiscal year.

FUND BALANCE:

Reserved (restricted) fund balance is the portion of fund balance set aside for specific purposes such as the Reserve for Encumbrances, Reserve for NYS Public Employees' Retirement, Reserve for Tax Certiorari Reserve, etc. Each reserve fund has certain establishment and use requirements. Unreserved (unrestricted) fund balance is the residual amount of fund balance after all reserves have been taken into account. Unreserved fund balance consists of appropriated (assigned) fund balance and unappropriated (unrestricted) fund balance. Appropriated (assigned) fund balance is the portion of unreserved fund balance that has been used to reduce taxes in the subsequent fiscal year. Unappropriated (unrestricted) fund balance is limited by Real Property Tax Law Section 1318 to an amount not to exceed 4% of the new year's budget.

REVENUE:

Sources of income financing the operation of the school district generally grouped as tax or non-tax revenues.

SALARIES:

The total amount paid to an individual, before deductions, for services rendered while on the payroll of the district. Normally salaries are set by provisions contained in a collective bargaining agreement.

SMALL CLAIMS ASSESSMENT REVIEW (SCAR):

Small Claims Assessment Review is the legal process by which a residential property owner can challenge the real estate tax assessment on their property in attempt to reduce the property's assessment and real estate taxes.

SCHOOL TAX RELIEF PROGRAM (STAR):

STAR, New York State's School Tax Relief Program, is a school property tax rebate program and a partial property tax exemption from school taxes. All New Yorkers who own and live in their home - whether it is a condominium, cooperative apartment, manufactured home, farm dwelling, apartment building or mixed-use property - are eligible for the STAR exemption on their primary residence.

GLOSSARY OF SCHOOL FINANCE AND BUDGET TERMS

STATE AID:

State Aid is additional money that the state gives to districts, to be used in different areas, such as lowering the tax levy, etc. Until the state passes its budget, the district does not know exactly how much to expect in state aid, but school districts are still required to present their budgets to voters on the third Tuesday in May. To meet that mandate, a district has to estimate its state aid revenues unless the state budget is passed on time.

SUPPLIES:

Consumable materials used in the operation of the school district including food, textbooks, paper, pencils, office supplies, custodial/maintenance supplies, and computer software.

TAX ANTICIPATION NOTE (TAN):

A municipal bond, usually with a maturity of less than one year, issued on the assumption that the debt will be paid back with future tax revenue. School districts issue tax anticipation notes usually at the start of a fiscal year to maintain appropriate cash flow to pay immediate or time sensitive obligations.

TAX BASE:

The assessed value of local real estate that a school district may tax for yearly operational monies.

TAX CERTIORARI:

The legal process by which a commercial property owner can challenge the real estate tax assessment on a given property in attempt to reduce the property's assessment and real estate taxes.

TAX LEVY:

The total sum of operating funds to be raised by the school district after subtracting out all other non-property revenues including state aid. The tax levy is used to determine the tax rate for property owners in each of the cities, towns or villages that a school district may be comprised of.

TAX RATE :

The amount of tax paid for each \$1,000 of assessed value of property. In districts that cover just one municipality, the tax rate is figured simply by dividing the total assessed property value by 1,000 and then dividing that again into the tax levy (the amount of money to be raised locally). In districts that encompass more than one municipality, the formula for figuring the tax rate is more complicated. It involves assigning a share of the total tax levy to each municipality and applying equalization rates to take into account different assessment practices.

THREE-PART BUDGET:

New York school districts must, by law, divide their budgets into three components - administrative, capital and program - and each year they must show how much each portion has increased in relation to the whole budget. It consists of the following components:

1. Administrative Budget Component - These expenditures include office and administrative costs; salaries and benefits for certified school administrators who spend

GLOSSARY OF SCHOOL FINANCE AND BUDGET TERMS

50 percent or more of their time performing supervisory duties; data processing; public information; legal fees; property insurance; and school board expenses.

2. Capital Budget Component - This covers all debt service on buildings, and leasing expenditures; tax certiorari and court-ordered costs; and all facility costs, including salaries and benefits of the custodial staff; service contracts, maintenance supplies and equipment; and utilities.
3. Program Budget Component - This portion includes salaries and benefits of teachers and supervisors who spend the majority of their time teaching; instructional costs such as supplies, equipment and textbooks; co-curricular activities and interscholastic athletics; staff development; and transportation costs.

TRUE VALUE TAX RATE:

Is what the tax rate would be if assessments of all properties were maintained at 100% of market value. Districts not assessed at full value have the assessed valuation multiplied by an equalization rate set by the New York State Office of Real Property Services.

UNION FREE SCHOOL DISTRICT:

In 1853, the Legislature established union free school districts, which are districts resulting from a "union" of two or more common school districts, "free" from the restrictions that previously barred them from operating high schools. In July 2004, there were 163 school districts of this type. Despite being able to operate high schools, thirty-one of these districts provide only elementary education. Those districts that are not components of central school districts provide secondary education by contracting with other districts. Each union free school district is governed by a three- to nine-member board of education.

NEW YORK STATE SCHOOL DISTRICT REPORT CARD

The New York State Report Cards provide enrollment, demographic, attendance, suspension, dropout, teacher, assessment, accountability, graduation rate, post-graduate plan, career and technical education, and fiscal data for public and charter schools, districts, and the State.

The New York State Report Card is an important part of the Board of Regents' effort to raise learning standards for all students. They provide information to the public on school/district enrollment and staff, student performance, and other measures of school and district performance. Knowledge gained from the report card on a school's or district's strengths and weaknesses is expected to be used to improve instruction and services to students.

The most recent New York State District Report Cards and Fiscal Accountability Supplement for the Briarcliff Manor Public Schools are contained on the pages that follow, appended to this document or available at:

<http://www.briarcliffschools.org>
