

## Kyle Ranagan Statistics

GPA: 96.22 (end of junior year, weighted)

SAT (Super Score): Evidence-Based Reading/Writing-760 Math-770

ACT (Score Choice): None

AP Scores: World History-4, AP Chemistry-5, United States History-4

SAT Subject Test Scores: BiologyM-760, Chemistry-780

### Special Notes:

- Kyle wants to play lacrosse in college
- Common Application essay was “Evaluate a significant experience, achievement, risk you have taken, or ethical dilemma you have faced and its impact on you.” Kyle wrote about the Lacrosse Players Help Club that he co-founded during his senior year and discussed what he hopes the club will do, since it has not done anything yet. This essay was poorly written with many spelling and grammatical errors.

Grade	Core Academic Courses	End of year GPA
8 <sup>th</sup>	Algebra I CC H Earth Science R French I	94.40
9 <sup>th</sup>	Geometry CC H Living Environment Biology H French II English 9 R Global History and Geography I H	99.92

12 <sup>th</sup>	AP Calculus AB AP Physics I College French II College English 12 H AP Macroeconomics	In Progress

## Kyle Ranagan Counselor Letter of Recommendation

Kyle Ranagan is a well-rounded student. He has been involved in numerous activities throughout his time at Briarcliff High School. His GPA of 96.22 is a true reflection on his intelligence and academic ability. In both the classroom and on the lacrosse field Kyle demonstrates his leadership skills. These qualities will surely assist him in being a successful college student.

Kyle is an all-star lacrosse player year-round. He has been on the Briarcliff varsity team since freshman year and has played on elite travel teams and regional all-star teams during the off season and during the summers. Although Kyle did not play much his freshman year he was a tireless cheerleader for his teammates. This sparkplug was made a starter during his sophomore year when he was given the opportunity to show off his lacrosse skills in an important game against a rival school when the starting goalie was injured. Kyle fearlessly accepted this challenge and has not looked back. He has been an essential member of the team since and was given the title of co-captain for junior year and anticipates being co-captain this year, as well.

This year, Kyle has begun to apply his natural leadership skills that he exudes on the lacrosse field to other extracurricular activities. Kyle is the co-founder of a new club, Lacrosse Players Help. At the beginning of the year Kyle and two of his closest friends/teammates started this club to get the lacrosse players involved in the community. Although they have not organized any events yet, I anticipate it will be a well-respected club by the school and community.

Academically, Kyle has been blessed with a natural ability to absorb information without having to work his hardest. He is engaged in school and enjoys being here but he is a lot smarter than even his stellar GPA may show. He has proven to be an extremely successful student however a glaring trend on Kyle's transcript is his gradually decreasing GPA from year to year. Please be aware that Kyle's parents went through a divorce during his freshman year. He acknowledges that the divorce was necessary for his parents to be happy, and it was done peacefully and amicably. Both of his parents live in Briarcliff and he spends time with both his mother and father; for holidays they still gather as a family. Despite the "ease" of the divorce experience, I believe this event could explain what has happened to his grades over the years. Nevertheless, Kyle has continued to enroll in the most difficult courses offered at Briarcliff High School and has a GPA most students are envious of.

I eagerly recommend this confident leader for admissions to your institution.

Sincerely,  
Mrs. Meredith Safer  
School Counselor
