Dear Principal,

The Elmsford Rotary Club gives out Scholarships every year to the students that live in Elmsford.

We are aware that you currently have students in your school that might be eligible for these scholarships and would like them to have the opportunity to apply.

We have enclosed our application form which states the necessary requirements and the deadline of April 1st.

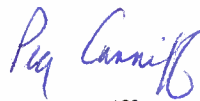

The Rotary Members of Elmsford work at fundraising in our community all year long and one of our biggest projects is to reward students that live in Elmsford a Scholarship to continue their education.

This year we plan to award 12 Scholarships of \$1,000 each.

Over the past 50 years, The Elmsford Rotary Club has given out many of these Scholarships to deserving young service minded seniors who would like to further their education. Please assist us in finding these students and directing them to send their applications to us by April 1st. At that time the Scholarship Committee will review these applications and set up interviews with the applicants that qualify. We will then invite those selected to a Rotary luncheon in June and award those chosen.

Thanks for the opportunity to reach your students and if we can answer any questions, please call or email the contact below.

Sincerely,

Peg Canniff
