SUPPLEMENTAL MEMORANDUM OF AGREEMENT

It is hereby agreed by and between the Board of Education of the Briarcliff Manor Union Free School District [hereinafter "District"] and the Briarcliff Administrators and Supervisors Association [hereinafter "Association"] as follows:

1. The District and the Association entered into their first collective bargaining agreement on or about June 29, 2010. In reviewing Article VII (B) the parties recognize they incorrectly characterized the required five years of service pre-June 30, 2010 administrators needed in order to qualify for certain fringe benefits into retirement. Specifically, the parties incorrectly used the ambiguous term "bargaining unit" when the term "District administrative service" accurately reflected the intent of the parties.

2. Therefore it is agreed the first sentence of Article VII (B) should read:

Unit members employed on or before June 30, 2010 shall be vested for the purposes of retiree health insurance (individual or family coverage as needed) through the District after five (5) years of *District administrative* service and employees hired on or after July 1, 2010 shall be vested for the purpose of District contributions towards retiree health insurance (individual or family coverage as needed) after ten (10) years of *District* service.

3. The first two sentences of Article VII(B) are hereby deemed to reflect the language set forth hereinabove. The balance of Article VII(B) shall remain unchanged.
