

Marlene Von Hagen Schrader Memorial Scholarship

Dear Scholarship Applicant,

Attached is the application to apply for the scholarship in memory of Marlene Von Hagen Schrader. The Marlene Von Hagen Schrader Memorial Scholarship stands as a tribute to a larger-than-life figure who left an indelible mark on the Briarcliff and Pocantico Hills school communities. A loving wife and mother who left us too soon, Marlene Schrader was not only known for her strength of personality but for her concern for others, always ready to extend a helping hand to those in need. Her vibrant spirit, unique personality, and boundless generosity were evident in her desire to make the world a more comfortable place. Marlene's love for animals was profound, and she dedicated countless hours to their well-being. Whether sharing her love of horses on the family farm, rescuing strays, or advocating for animal rights, she embodied a true passion for the welfare of all living creatures.

This scholarship serves as a lasting memorial to Marlene's legacy by recognizing and supporting a Briarcliff High School senior who shares Marlene's commitment to community service and love for animals. The recipient of this scholarship is someone who, like Marlene, has actively contributed to the betterment of the Briarcliff and Pocantico Hills school communities through volunteer work. This individual not only demonstrates a genuine desire to improve the world around them, but also exhibits support for the welfare of animals. The scholarship seeks to empower students who aspire to continue Marlene's legacy by pursuing a path that involves working with or rescuing animals, fostering that same sense of shared responsibility that Marlene exemplified throughout her life.

Please submit your completed application, personal statement, a letter of recommendation, and a copy of your transcript to Mr. Ratliff in the counseling office by Thursday, April 11, 2024.

The recipient will be notified at the Briarcliff High School Awards Ceremony.
